Food with a Conscience

Our dedication to doing things right carries through to offering sustainable catering at your event. We can create menus using food that is sourced locally and grown and raised naturally without antibiotics or hormones. Our Culinary Team will utilize these fresh and delicious ingredients to create farm to table offerings. Sustainable menus and pricing are based upon seasonal market conditions and the availability of products.

Menu Selection

Our menus offer a vast selection of food and beverage options in a wide range of price points. You can select your favorite menu from the varied options or, if you have something specific in mind, your Catering Sales Manager along with our Executive Chef will be happy to tailor a menu to your preferences.

Special Dietary Accommodations

MHC Culinary Group is committed to helping clients meet their dietary needs. We are able to accommodate a variety of special dietary requests, including vegan, vegetarian, gluten free, dairy free and nut and/or peanut free. Halal and Kosher meal options can also be arranged, although options for Kosher meals are limited to cold, boxed meals. Please notify your Catering Sales Manager no later than two weeks in advance of your event for Halal or Kosher meal options and pricing. All other special dietary requests may be provided with the final guarantees.

Pricing

Prices are quoted in advance of the event but are subject to change due to fluctuating market prices. Menu prices will be guaranteed for a maximum of sixty days. All prices are subject to a 22% service charge and applicable sales tax. When requesting a multiple entrée selection, a multiple entrée fee of \$2.50 per person will apply. We request that the same accompaniments be selected for all entrées.

Confirmation of Event/Deposit

To confirm the event, a non-refundable deposit of 100% of estimated charges is required with the signed catering contract and catering event orders fourteen days prior to your event in order for services to occur.

Host bars will require an estimated bar deposit based on industry standards. Should the actual consumption exceed the deposit amount, the contract holder will be billed accordingly. In the event actual consumption falls below the deposit amount, a refund will be issued within thirty business days. To secure replenishment privileges, a credit card authorization form must be on file in our office prior to your event. No billing will be processed to the credit card on file unless authorized or final payment is not received within ten days of being invoiced.

All checks for food and beverage are to be made payable to MHC Culinary Group. MHC Culinary Group accepts Mastercard, Visa, Discover and American Express for up to a maximum of five thousand dollars (\$5,000.00) per event. The above policies may not be modified without the written consent of an Executive Officer of MHC Culinary Group.

YOUR HOSPITALITY PARTNER

GENERAL INFORMATION & POLICIES

Guarantees

To ensure proper planning and execution of the event, the client is required to guarantee the number of attendees. The client is responsible for payment of the final guaranteed number even if fewer guests actually attend the function. The client assumes the responsibility to establish guaranteed attendance. Any change in the guaranteed number of guests is also the responsibility of the client. Guarantee changes must be communicated in writing and must meet the time constraints specified below. In the event time constraints are not met, charges will be based on the original estimated attendance on the catering event orders.

It is necessary that the guaranteed number of guests be confirmed by 10:00 a.m., three business days prior to your event. For example, an event scheduled on a Monday must be confirmed by 10:00 a.m. the preceding Wednesday. MHC Culinary Group will allow for numbers greater than the guarantee by preparing seating, place settings and meals for 3% over the guaranteed attendance to a maximum of thirty. The 3% overage will be a vegetarian selection. When requesting additional seating above and beyond MHC Culinary Group's standard for meal functions, an over-set fee of \$2.50 will apply for each additional seat provided and a fee of \$7.50 will apply for each additional place setting provided.

Special Events

Functions of 2,000 guests or more are considered "special events". These events require customized menus due to the logistical planning involved, as well as additional labor and equipment needed to successfully orchestrate such events. Due to these requirements, special events may be subject to earlier guarantee dates and equipment rental charges. Please contact your Catering Sales Manager for more information.

Catering Event Orders

In order to ensure the availability of all items, be sure that your signed catering event orders are received by the catering office fourteen days prior to the event date.
